HAMILTON DOWNS ALBANY ACADEMY

Buff and Blue Reverse Last Week's Result and Win 6-3—Hold Visitors Scoreless Until Late in Game

PORTER VISITOR'S STAR

The local seven staged a come-back on the ice Saturday afternoon in the second game of the season, by winning from Albany Academy on the home rink by a 6-3 score. Hamilton had the advantage throughout the contest and led by 6 goals until the last few minutes of play when Porter, the visiting team's rover scored three long shots in quick succession. The Albany team had been without practice for ten days which resulted in loose team play until well toward the end of the game.

Hamilton Scores Early in Game

Hamilton started the game strong, White putting the puck inside the net less than a minute after the opening whistle. Before the end of the half he duplicated the feat, and Clarke added two more to the score. Cobb started the scoring in the second period with a long side shot, and White added the last point for the locals. Toward the end of the game Porter succeeded in sending three long shots past the Buff and Blue defense.

Team Shows Improvement

The home team showed the results of their first game of a week ago, and proved better able to cope with the visitors' offense. Not until the team was materially weakened with substitutes did the opposing team get any real chances for goal shots. The passing had improved noticeably ,and two days of indoor work in the gym. made the shooting a hundred per cent better.

Porter for the Albany team, proved their individual star, both at shooting and dribbling thru the local defense. Norstrand was the smallest player on the rink, but did some of the best work for the visitors in breaking up Hamilton's passes and in taking the puck down the ice.

Kaiser, '21, was still out of the lineup, but Mr. Prettyman hopes that

DR. MORRILL LEADS CLASS

The second of the weekly meetings of the Bible class was held in Chapel last Friday evening and about twenty men attended. Prof. Morrill led the meeting and spoke on "The Kingdom of God." His talk was followed by questions and an open discussion of the points he brought up.

The class begins at 7:20 and lasts until 8 o'clock. No meeting will be held this Friday, Washington's birthday, but every man in college is invited to be out the following Friday evening, March first.

THE SKI JUMP

SKATING AND SKIING WILL FURNISH AMUSEMENT FRIDAY

Outdoor Carnival to be Run Off on Washington's Birthday

NEW ATHLETIC DEPARTURE

According to the plans laid for the Winter Carnival, Washington's Birthday will be a busy day. Warm weather and a lack of interest by the student body are the only things that can prevent the Carnival from proving a sucess, and all predictions point to a cold snap and a large number of men on snowshoes, skis, and skates. The morning will be devoted to snowshoeing and skiing, and the afternoon to skating. The ski jump which has been built was temporarily put out of commission by the thaw last week, but will be ready for use with a light snowfall.

Cross Country in Morning

Men with skis or snowshoes will meet Mr. Prettyman in front of the Gymnasium at 9:30 a. m. From there they will go to the ski jump, where they will have a chance to try their skill. Later in the morning, there will be a "Hare and Hounds" race. Two men will be selected to act as Hares and lead the chase. These men will be given fifteen minutes start before their trail is taken up by the rest. The course will be down through the Glen and back to the Campus.

Speed Races on Rink

In the afternoon, interest will center on the skating rink. Four events have been planned: a 440-yard race, a half-mile race, a potato race, and a 220-yard backward race. The first two events ought to bring forth some keen competition, while the last two will probably prove more amusing than scientific. The course for all except the potato race will be an oval which requires sixteen laps to the mile. This course will not come nearer to the side boards than eight feet.

The potato race is a novelty event which should prove particularly interesting. The course will be a straightaway, with five blocks of wood laid on the ice at intervals of ten feet. The contestants start on a line ten feet away from the nearest potato, skate down, and bring the blocks back one at a time to the starting line, where the potatoes must be dropped into a small mouthed bucket. The finish line will be sixty feet from the start. All competition in the Carnival is to be individual rather than Interfraternity or Interclass.

Two new cups are on display at Commons, one for Interfraternity Basketball, and the other for an Intramural track meet later in the year.

Sunday Chapel Service Changed to Morning Hour

Petition to Set Sunday Afternoon Free Granted by Faculty

The petition circulated through the student body a short time ago for a change in the Sunday Chapel hour, has been granted by the faculty. Half past ten is the time set under the new plan instead of four o'clock in the afternoon. The hour was placed at 10:30 rather than 11:00 a. m. in order to accomodate a considerable number of students who are rendering assistance in the Clinton Sunday Schools. With the Chapel service ending at 11:30, these men will have ample time to reach the village by 12 o'clock.

Change After Easter

Just when this change will be inaugurated has not been definitely decided, but will probably take effect immediately after the Easter recess. Preachers have been secured for the rest of the year and a number for next fall, but all of these can accommodate themselves to the earlier hour with the exception of one in March. For this reason the change will probably not be made until after the spring vacation.

MUSICALE DELIGHTS LARGE AUDIENCE

String Quartets From Noted Composers Suit All Tastes—Second Recital Before Easter

Dr. Saunders' first chamber music recital of the year was held at his home on College Hill Saturday evening, and a large assemblage of music lovers dared the snow and wind to hear the compositions of the three composers, Brahms, Mozart, and Beethoven. Many guests were present from Clinton and Utica.

Mr. Edgar Alderwick, second violin, Mr. Paul Mendelssohn, viola, and Mr. Ernest Mahr, 'cello, all of whom have appeared before with Dr. Saunders, first violin, assisted him. The program consisted of three quartets, Brahms' in A minor, Mozart's in C major ,and Beethoven's in C minor; several encores were requested and were furnished from selections from Mozart. Dr. Saunders prefaced each selection with a few remarks upon the composition and history, demonstrating with the violin.

Mr. Alderwick, who is very well known to the musical coterie in Utica and vicinity, was cordially welcomed, as were Messrs. Mendelssohn and Mahr of Syracuse, who delighted those attending the musicales at Dr. Saunders' home last season. The second recital will probably be held within a fortnight.

Alumnus to Deliver Baccalaureate Sermon

Dean Hodges, '77, of Harvard, Will Give Farewell Address to 1918

The Rev. George Hodges, '77, has consented to deliver the baccalaureate sermon to the class of 1918 at Commencement this June. Dr. Hodges is now dean of the Episcopal Theological Seminary of Harvard University. Besides his bachelor's, master's and doctor's degrees received at Hamilton, Dr. Hodges has degrees from the Western University of Pennsylvania, Brown, Hobart, and the University of Pittsburgh. He was rector of the Calvary Church of Pittsburgh from 1881 to 1894 and has been dean at Harvard from 1894 to the present time. He is the author of numerous books and articles on religious questions.

REV. D. H. CRAVER SUNDAY

The Rev. Warren S. Stone, '99, pastor of the First Presbyterian Church of Rochester spoke in Chapel on Sunday. His text was "By their fruits ye shall know them but without me ye can do nothing."

Next week Chapel will be conducted by the Rev. David H. Craver of the North Presbyterian Church of Geneva, N. Y., formerly of Ogdensburg.

"SID" EDDY,'18, SENDS NEWS OF HAMILTON MEN AT FRONT

Many Men from Hill are Seeing Service Along the Line

In a recent letter to the Hill, "Sid" Eddy, ex-'18, sends news of a number of men from the Hill. He says: "Billy Page and Louie Baumer are about a kilometer from here, in the section next to ours. Charlie Peck, Bert Warfield ,and I are still together. Bill Bristol, Stackhouse, and Brad Ogden are driving trucks. Turnbull and Wally Johnson are in Paris, and Ed Parmalee and Booth Kennedy both landed recently."

"Just now there is little action along our front for the weather is rather unpleasant. Nevertheless, it is a bit interesting. It rivals favorably with the excitement on the Hill. The nearest thing I have done in the "Croix de Guerre" line was to play the "Good Samaritan" to a stranded General. His car had broken down, so I stuffed him in by 'bus and took him to the next town. I still await my Croix de Guerre.

"They have pulled down two Boche planes within a week around our camp. In both cases the American Ambulance men were at the scene "tout a suite" to carry the mutilated Boches to the hospital and to get souvenirs of the wrecked planes. We'll get over the "souvenir" habit after we've had about five years of the 'guerre'."

PENN. COLLEGES ECONOMIZE

Approve Policy on War Basis—To Strive for Efficient Service

At a recent convention of the College Presidents Association of Pennsylvania, the following resolutions were adopted and referred to the individual institutions for action.

Whereas, believing that they voice public sentiment and reflect the present condition of our national affairs, the following resolutions are adopted by the College Presidents Association of Pennsylvania and recommended for adoption in all institutions in the state, to be valid during the duration of the war.

1. The number of holidays involving cessation of college work shall be reduced to the minimum.

2. Expenses of Commencements and other ceremonies shall be reduced as far as possible. Celebrations and meetings involving travel shall likewise be reduced in number or omitted.

3. House parties and other forms of unnecessary expenditure among the students shall be discouraged.

4. Every college and university shall put forth unusual efforts to maintain those standards of punctuality, obedience and mental activity which will be required of students after entering the military service.

5. No students who show continued habits of neglect, slovenliness, or inattention to duty shall be kept on the rolls of any college or university of this Association or admitted to any other.

6. Every college and university of this Association pledges itself to seek every opportunity of giving an enlarged and more efficient service to the United States.

Current History

Dr. Flippin of the History Department has undertaken the organization of a Current History Club which is open to every man in College. For taking the initiative in this matter Dr. Flippin should be congratulated. The club supplies a long felt need.

But men in College should not forget after a couple of weeks that such an organization exists. We do not believe that they will, for we all should be interested in such matters these days, but is it easy to lag after the first enthusiasm and this we should guard against.

Other professors on the Faculty have expressed their willingness to get together with the fellows and to thrash out any question of current history in which we might be interested. Dr. Shepard, who has kept in close touch with European politics, has offered to help. So, also, has Dr. Wood. And no doubt there are others of our Faculty who would be willing to get together with the fellows if they were approached. We should take advantage of the kind offers of these men.

How best to get together, however, is still to be decided. These professors might be asked on various Saturdays to meet with the Current History Club. We would suggest as another way that each fraternity should ask a professor in some evening and then extend invitations to the other crowds. By this open house method, a good spirit would be fostered among the fraternities, who do not now interchange hospitality as much as they should, and the discussions would also be profitable. These "open house" meetings need not be long—an hour would be a good limit so that they would not entirely interfere with an evening. Yet they offer a way for fellows to get together and to widen their knowledge on current subjects, which is of great importance in these days when so much history is being made.

ALUMNI NOTES

—Schuyler C. Brandt, '89, was on the Hill last week.

—Carleton E. Thomas, '12, is an inspector of carpenters at the U. S. shipbuilding plant on Staten Island, N. Y.

His office will be at Albany.

HAMILTONIAN LAPSES FOR PRESENT YEAR

1919 Will Publish No Year Book—War Conditions the Cause

As the result of careful investigation, the Junior Class voted unanimously Saturday morning to adopt the recommendations of the 1919 "Hamiltonian" Board and discontinue publication of the Year Book for this year. The "Hamiltonian" has always had a hard time to make both ends meet, and the position is especially hard at this time.

Unable to Get Ads

The assistant managers have covered the advertising field thoroughly, and much of the copy is ready for the printers, but as Manager Keeler said at the meeting, the advertisers are cutting down on their expenses this year, and students have not ordered as large a number of books as before. The board did not think it advisable to put out an inferior book and to put out a standard edition would mean a large individual tax to a fast diminishing class. This would be paid next year when the size of the class is a matter of speculation.

Dr. Ferry, whose advice was sought on the matter, said nothing favoring the publication of the book, and was in accord with a plan suggested by a member of the board whereby all the necessary information of the book would be kept for purposes of record. This plan provides to include in some number of "Lit" all records of senior honors, athletic records, and other material which is only handed down by the "Hamiltonian," thus accomplishing the serious purpose of the Year Book. This plan must first be agreed to by the Editor and Manager of "Lit".

ACHIEVEMENT
Twenty-five years ago the General Electric Company was founded.
Since then, electricity has sent its thrill through the whole structure of life.
Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work —electricity has bent to man's will.
Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.
It has set free the spirit of research.
It has given tangible form to invention, in apparatus of infinite precision and gigantic power.
And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people.
By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

With the Colleges

—During the year of 1917 Harvard University received by gift $2,271,-900 according to a report recently published. The two largest gifts were anonymous.

—Senior and Junior R. O. T. C. men at U. of Maine received their first reimbursement from the government last month in the form of checks for twenty-four dollars.

—Since the outbreak of the war 18 educational institutions have had to discontinue athletics, 22 colleges out of 26 have eliminated pre-season coaching, and 23 out of 26 have cut down their training tables. The three which continued the practice reduced the cost greatly.

—Figures compiled by a Boston paper show that 102,353 men and women are attending college in the United States against 123,327 last year. Entering classes have shrunk from 31,400 to 28,041. Attendance at women's colleges has slightly increased.

—The United States government has endorsed a plan originated at the University of Kansas providing for a war league of American colleges. Dr. Templin, dean of the college of the University of Kansas, has been placed in charge of the work of the organization. His plan is to "syndicate the ideas, ideals, and the strength of academic America for the good of the nation." Lectures on timely war topics of both economic and military nature are a part of the scheme, and five hundred and ten colleges have already been asked to join in the work.

—Students in the University of Washington who have entered national service and are stationed near Seattle will be given an opportunity to continue in part, at least, the subjects which they dropped on enlisting. Several of the faculty have consented to go to nearby cantonments and training camps to give lectures in their respective courses.

College Men "Make Good"

When an emergency arises in business, political or military crises, a call goes out for "college men." They are expected to "make good." And they do. The reason for their success is their abiltiy to bring their special training to bear on the problem at hand.

In financial matters this trust company is prepared to meet the constantly changing conditions due to the special training and long experience of its officers and staff.

Our several departments offer the following services:

(1) Checking accounts—large or small.

(2) Large or small interest accounts on which we pay 3½ per cent.

(3) Loans on promisory notes, on collateral security, and on real estate mortgages.

(4) 3½ per cent. interest bearing Certificate of Deposit.

(5) Acts as executor, administrator or trustee for decedent estates.

(6) Agent or trustee for estates of living persons.

(7) Safe Deposit Boxes to rent for $3.00 per year and up.

We especially welcome the opportunity of serving men "on the Hill."

FRATERNITY FIVES IN FINAL CONTESTS

Emerson, Psi U, Deke, and D. U. Win —D. U. and Deke Will Contest for Championship

STANDING OF THE TEAMS

Team	Won	Lost	P.C.
D. U.	6	0	1.000
Deke	6	1	.857
E. L. S.	6	1	.857
Theta Delt	3	4	.429
Neutral	3	4	.429
Alpha Delt	2	4	.333
Psi U	2	4	.333
Chi Psi	2	5	.286
Sig	0	7	.000

Five games were played in the Inter-fraternity Basketball series last week, which brings the schedule close to the finish. The D. U .team is still in the lead, with the Dekes and Emersons fighting it out for second place. The D. U.-Deke game will be the deciding game of the series. If the latter team wins, it will mean a three-cornered tie, and a defeat will give the cup to the uphill aggregation.

E. L. S. 41—Theta Delt 10

On Monday Sig forfeited to D. U. and E. L. S. had an easy time with Theta Delt, winning 41-10. Powers starred for the Emersons, while Hamlin also dropped them in consistently. The summary is as follows: E. L. S.: Hamlin 12, and Powers 17, forwards; Bratton 8, and Kingston, center; Moore and Campbell 4, guards. Theta Delt: Hutchinson 4 and Morrow 4, forwards: Allen 2, center; Van Hoesen and MacLachlan, guards.

Psi U 12—Alpha Delt 11

On Wednesday Psi U nosed out a victory over Alpha Delt, 12-11, and the Dekes trounced Chi Psi, 31-8. The Sigs forfeited to E. L. S. The advent of Jimmy Fursman in the Psi U lineup proved the winning factor. Psi U: Fursman 6 and Seaver 4, forwards; Barry, center; Jones and Fisk 2, guards. Alpha Delt: Whitbeck 5 and Stone 4, forwards; Keehn 2, center; Kaiser and Brandt, guards.

Deke 31—Chi Psi 8

The Deke forward combination was in smooth running order and accounted for 23 points against the Chi Psis. The lineup: Deke, Welsh 13, and Keane 10, forwards; Pritchard 4, center; White 2 and Keeler 2, guards. Chi Psi, Sinclair and Hirschheimer, 6, forwards; Parker 2, center; Clarke and Kneeland, guards.

D. U. 37—Theta Delt 19

The D. U.-Theta Delt game was fast and although the D. U.s practically doubled the Theta Delt's score, the game was hard fought, all the way. Allen scored two points in the wrong basket, as did Barry in the Deke-Psi U game . The summary: D. U., Lowell 10 and Valentine 6, forwards; Lawler 11, center; Cowan 4 and Griffith 4, guards. Theta Delt: Allen 2 and Hutchinson 4, forwards; Morrow 9, center; Van Hoesen 2 and MacLachlan 2, guards.

Deke 44—Psi U 7

The Deke-Psi U game was featured by the accurate shooting of Welsh, in the first half, and Keeler, in the second. The lineup: Deke, Welsh 16, and Link 2, forwards; Pritchard 8, center; White 6, and Keeler 10, guards. Psi U, Fursman 1, and Seaver 4, forwards; Barry center; Jones 2 and Fisk, guards.

Team Will Meet R. P. I. Saturday In First Intercollegiate Game

Hamilton's first hockey game with a team of collegiate standing will be played with Rensselaar Polytechnic Institute. Advance information on the game does not give either team a decided advantage. R. P. I. has played intercollegiate hockey for some years and has the advantage of experience, although their present season has not been very notable. Starting with a squad of twenty-five men they have been practicing since the first of December.

Poor Season for R. P. I.

Of the four games the Troy Engineers have played so far, they have lost three and tied one. They opened up the season on Jan 5th, meeting Williams at Williamstown and were defeated 14-1. Next Massachusetts Agricultural College travelled to Troy and on a rink covered with two inches of water, played a scoreless game. Springfield Y. M. C. A. College had an easy time overcoming R. P. I. 5-0, and last week the Army won at West Point.

Capt. Johnson Star

Capt. Johnson, playing rover, is the fastest player, and one of the three men left from last year's team. Cravat and Armstrong are two prominent freshmen players.

The teams will probably line up as follows:

R. P. I.		HAMILTON
McQuide	Goal	MacWilliams
Kraehn	Point	Welsh
Armstrong	Coverpoint	Spinning
Johnson, Capt.	Rover	R. Kaiser
Hyman	Center	White
Legg	Left Wing	Cobb
Cravat	Right Wing	Clarke

BASKETBALL

Tonight at 9 o'clock the D .U. team will line up against the Dekes in the deciding game of the Fraternity Basketball series. Tomorrow the final games will be played between E. L. S. and Psi U; Alpha Delt and Chi Psi. Interclass games are scheduled for next week as follows:

Feb 25—Sophomores vs Freshmen.
Seniors vs Juniors.
Feb. 27—Juniors vs Sophomores.
Seniors vs Freshmen.
Mar. 1—Juniors vs Freshmen.
Seniors vs Sophomores.

PLATT ADAMS VISITS HILL

Record Holder Does Some Informal Jumping in Gym Tuesday Night

Platt Adams, holder of world's records in the standing hop-step-jump, three standing broad jumps, and the standing high jump, was on the Hill on Tuesday night, and performed informally before a small number who gathered in the gym. In civilian clothes, he did 5 ft. 2 inches in the standing high jump, 31 ft. 6 inches in three standing broad jumps, and 29 ft. in the hop-step-jump. The college record in the last event is 27 feet.

GUARDS TO BANQUET MONDAY

Next Monday night the Clinton Home Guards with officers and guests will enjoy a dinner in Commons Hall. Professor Chase, who is Captain of the Guards, is arranging for several good speakers and hopes to further a closer relationship between Clinton and the Hill.

Three Classes Even In Interclass Hockey Series

Second Series of Six Games Will Decide Supremacy

Wednesday afternoon the last two games of the interclass hockey series were played off, resulting in a 3-1 victory for the Sophomores over the first year class, and a 17-1 win for the Juniors over the Seniors.

The first game was hard fought all the way ,with the score 1-0 at half time. Dick Kaiser, Cobb, Cairns, and Ruff, did the best work for the Sophs, while Clarke and MacWilliams starred for the Frosh. The first year men were without the services of Al Kaiser, which gave the Sophs a big advantage. The upperclassman game was one sided throughout, the Juniors having things their own way all the time. Stone and White did their best work.

The results of these games leaves the series a three cornered tie, with Juniors, Sophs and Frosh all having two victories and one defeat to their credit. It has been decided to play another 6 game series to decide the championship. The first round will be played off this afternoon if the rink is in condition. The first game will be Senior vs Frosh, with the Juniors facing the Sophs in the second contest.

PRACTICE DEBATE TOMORROW

Ten Men Will Compete for Intercollegiate Teams

The final intercollegiate debate tryout will be held in the chapel at seven o'clock tomorrow night, and eight men will be chosen from the ten selected in the preliminary competition week before last. Special emphasis will be laid upon the ability which the competitors show for teamwork. The ten men in the final tryout are: affirmative, Collins, Lowell, and Link, '19; Keeler, '19, and Turner, '20; negative: Jones, '18, Hutchinson, '19, Kneeland and Rosenthal, '20, and Fry, '21.

UNDERGRADUATES WANT EARLY MORNING DRILL

Student Body Recommends Change in Drill Hours After Easter—To Make Room for Athletics

MILITARY DEPT. TO DECIDE

In order to give ample time for all intercollegiate and interclass athletics this spring, the College voted Thursday morning to change the breakfast hour from 7:30 to 7, with military drill for thirty five minutes on five mornings a week from 7:30 to 8:05, with chapel following drill. The plan is now under consideration by the military department ,and if adopted, goes into effect after Easter.

No Excuses from Drill

By drilling the shorter periods in the morning, the same time will be put in as in the fall—three hours a week. Last fall many men were taken from the battalion because of football interfering with drill, but by a ruling of the War Department men cannot be excused from R. O. T. C. Units. With no military work in the afternoons all men in college will be free, except so far as classes interfere, to go out for either track or baseball.

Interclass baseball is planned under the new schedule and there is a desire to have more men out for intercollegiate sports. Instructor Fursman says that the drill will be more effective in having it more frequently and at shorter times than under the present three hour system.

The plan came as the direct result of a meeting of all captains and managers, and while several other solutions were advanced, the one adopted was most favorable.

Aiming and Bayonet Drill Studied

Altho the work is still confined indoors, the classes have taken some long strides in the past week. Instructor Fursman is teaching one division position, aiming, and firing drills which are preparatory to actual shooting. At the regular gymnasium meeting of the classes on Mondays, bayonet drill holds the boards and will do so for a while. In a short time the Australia bayonet manual will also be taught.

As soon as spring arrives a 75-foot rifle range will be prepared for target practice with sub-calibre arms. Rifles shooting a .22 cartridge will be used.

SOPER, '04, TO DO ARMY WORK

Will Spend Three Months' Leave in Y. M. C. A.

Rev. Willard P. Soper, '04, has been released for three months from his duties as pastor of the Stone Church of Clinton and will accept an appointment as director of religious work in the U. S. Army Y. M. C. A. Mr. Soper expects to leave to take up his new work about March 1st. Rev. Alfred E. Alton, professor of political literature of Colgate University, has been secured to temporarily fill the vacancy. Mr. Soper takes an active interest in affairs on the Hill, and is a member of the Executive Council.
